

## Model

### FLOORTRON C143 TSN

#### GENERAL FEATURES

Model with working width of 430 mm and double speed, equipped with pad holder, suited for many cleaning tasks from cleaning of very dirty floors up to the maintenance cleaning of floors treated with metallic waxes. A single machine and a simple switch replaces 2 separate units, with evident advantages in terms of practicality and economic convenience.

- Very strong induction motor for long lifetime and great performances. Double protection against unintentional start. Satellite and planetary gearbox for high power transmission, long lifetime and low noise level. Coupling for both pad holder and brush.

Machine supplied without accessories

adjustable handle

Planetary gear

Mount for drive boards and brushes
